Hello Friends,

Change. It is one of life's constants. If we accept, we evolve and grow. We at Liquid Blue embrace it. We are completely committed to our evolution and accept no level of complacency in any aspect of our business. Contrary to the popular phrase, if it's not broken, we fix it anyway.

This is what you have come to expect from us, and you will continue to get it. After all, we want you to rely on us for our superior products, great customer service, and speedy delivery.

At Liquid Blue, we are always finding a better way, every day. Count on it.

Wishing you health and wealth,

Paul Roidoulis,
President
