Three years since the passing of Jerry Garcia, one of the founders of the legendary musical group Grateful Dead, we are proud to announce the debut of the Jerry Doll™.

"In honor of the spirit and ideals of a humble man who moved many through his music and art, this hand-crafted folk doll was created to please and keep present his likeness and memory" says Paul Roidoulis, President of Liquid Blue, Inc.

Commissioned by Grateful Dead Productions and approved by Deborah Koons-Garcia, this huggable 17.5 inch soft bodied doll comes with a guitar shaped hangtag bearing the image of an acoustic guitar on one side and the toy's name on the other.

The Jerry Doll™ was designed under the creative direction of Liquid Blue and is manufactured exclusively for Liquid Blue by the premier 100 year old toy company, Gund®
